COLD/FLU SEASON IS HERE:

YOU CAN HELP REDUCE THE RISK OF GETTING A COLD.

1. Wash your hands often with soap and water. Wash them for 20 sec. and help your children do the same. If soap is not available, use hand sanitizer.
2. Avoid touching your eyes, nose, and mouth with unwashed hands. This is how a cold enters the body.
3. Stay away from people who are sick. Stay at home if you are sick. Move away from people before you cough and sneeze. And remember to cough or sneeze in your elbow or upper sleeve.

Dear Anchor Family,

Please remember that next week, Thursday, September 13th is Picture Day! If you are a preschool parent and your child does not come to school on Thursdays, know that you can bring your little one in to have their picture taken with their class. In case you miss the first picture day, there is a picture re-take and make-up day scheduled for November 8th.

Friday, September 14th is Crazy Hair & Hat Day. This is the day AFTER picture day, so try not to confuse the two. Although crazy hair would make for an interesting school picture, we doubt that you would want that picture forever in the yearbook. :)

Jr. High families: you should all be ready to go on the East Coast Trip! Now is the time to double check your reservations, pack, and shop for those last minute items. If you have any further questions, please touch base with Ms. Chandler or Mr. Sawyer.

In Christ,
Mrs. Dean & Ms. Chandler
