FIP HOURS

If you are in need of FIP Hours, please make sure you check with the classroom teachers. There are often projects that pop up at the end of the year! You can also check in the office for any projects available.

SNOW & RAIN GEAR

As the weather begins to change please take note of your child's outdoor gear. It may need to be updated to fit the current (and ever changing) Alaskan weather. Rain boots are encouraged as our playground and field get rather wet!

HOT LUNCH HELPERS

We are in need of some hot lunch helpers to finish off the school year. If you are available to help prepare the hot lunches for our students on Tuesday-Thursday from 11:00-1:00 (any portion of that time), please sign up in the office today!

TRACK & FIELD EVENTS CLINIC

The Field Events Clinic is coming up quickly! It will be Saturday, April 28th at Eagle River Christian/Gruening Middle School from 9 a.m. -12 p.m. This is a great opportunity for our Tracksters to improve their skills and events.
