Letter to Parents

Dear Anchor Family,

In the month of October there are many days that Kindergarten through 8th grade have an unusual schedule. Please note that **Preschool classes run on their normal schedule all month**. On October 18-20th, Kindergarten through 8th grade do not have classes. The teachers will be headed to the Northwest District All Church Worker Conference. This is a great opportunity for our teachers to gain knowledge and collaborate with fellow educators from many states. Child Watch is available by reservation only, please notify the office if you intend to use their services. As the month continues we have Parent/Teacher Conferences. These are required for every student in Kindergarten through 8th grade. More information about scheduling these conferences will be out later this month.

Donations for the Auction are still being gathered. If you have any items for donation, please turn them into the office before next Thursday, October 12th. The items that have come in this week are fun and exciting. Did you see the neon green kayak in the office? Come bid on it, Saturday, November 4th, with your friends. Tickets are on sale in the office and raffle tickets will be available next week. We look forward to seeing you there!

In Christ,
Mrs. Dean & Ms. Chandler

PARENTING TIP OF THE WEEK

In past weeks, we've talked about allowing your child to make their own choices. Here are some healthy ways to give young children choices and therefore a healthy sense of power:

- Asking which shoe they would like to put on first or which shirt they would like to wear
- Involving them in family decisions, like where to go on vacation
- Letting them help decide what's for dinner
- Letting them choose their bedtime story (even if you have read it a million times and are sick of it!)
