## Letter to Parents

Dear Anchor Family,

With a little over a month until Anchor's 25th Auction we are continuing to work hard to ensure a fun event. There are lots of tasks that need helping hands. If you are available for the weekly Auction Meetings that are held on Wednesday nights at 6:30 p.m. we would be happy to see you there. If you are not available you can always stop in or call to find out more.

Donations are coming in and we are still seeking more. If you have any ideas we would love to hear from you. We have many wonderful donations for the silent auction at this point, and are still accepting through October 12th. The Live is looking great as well. A few of the highlights include: a Kenai River Fishing Excursion, Kodiak Halibut Trip, and a variety of quilts.

One of the easiest ways you can help this be a successful event is by attending with a few of your friends. This is an event that is fun for everyone, even people that aren't familiar with Anchor Lutheran. The more people you invite and bring the more enjoyable and beneficial this event is for Anchor Lutheran.

In Christ,

Mrs. Dean & Ms. Chandler

## PARENTING TIP OF THE WEEK

### Let them solve simple problems.

If you see your child trying to assemble a toy or get a book from a shelf that she can reach if she stands on her step stool, pause before racing over to help. "Provided that they are safe, those moments when you don't rush in, when you give children a moment to solve things for themselves, those are the character-building moments," says Zebooker. "It's natural to want to make everything perfect, but if we do, we cheat kids of the chance to experience success."
